Custom Dice

Q-workshop has been the first company to offer customization of dice to a wider group of customers.

We have several different techniques of dice manufacturing, therefore we can feasibly manufacture different batches, from the smallest ones to mass quantity of dice.

We give you the chance to fully customize your dice, for a good price.

Pictures presented here show some of our custom projects that has been made so far.

If you are interested in creating your own custom dice, for your game, your gaming group etc. do not hesitate and send us an e-mail to **customdice@q-workshop.com**
